*A single Croatian island is reason  
enough to cruise down the coast.  
So how about a thousand reasons?*

# Our story

The only thing that's better than spending your vacation on an island - is spending it on a dozen different islands.

This is where we come in, as Zantium Travel offers an unparalleled coastline experience with our bespoke selection of small ship cruises that will provide you with a lifetime supply of unforgettable memories.

Our journey is a feast for the senses, as the moments you will discover, both onshore and onboard, will make you question everything you think you already know about the Croatian Coast. A whole world of breathtaking scenery, amazing history and delicious cuisine awaits, with a personalised service at your disposal.

An aerial, high-angle view of the curved deck of a ship at night. The deck is illuminated, showing various pieces of equipment, including a large satellite dish, a smaller antenna, and some storage containers. The ship's railing is visible, and the dark water of the ocean is in the background.

# *Welcome* ABOARD

Nothing can prepare you for a pleasant surprise that is an 8-day cruise on one of our ships. And you shouldn't prepare either, as the only thing you're required to do is - relax and enjoy the ride.

The first thing you'll notice as you come on board is that each and every ship in the Zantium Travel fleet has a beautiful and spacious sun deck, a perfect chill spot equipped with beds where you can soak up the Sun. You may also want to explore the lounge area where you might enjoy a thrilling book, a dip in the jacuzzi or a cool drink under the shades.

If you decide to retire for the day, our cabins come with all the amenities you would desire on journey such as this, as they're all equipped with private showers and washrooms, safe deposit boxes, TVs and chilled-to-perfection rooms, courtesy of our air conditioners.
